Dear Mr. Director:

Please accept my appreciation for the privilege of attending the ground breaking ceremony this morning at the Agency.

It was a great ceremony, well handled and attended - my compliments on getting the much needed facility approved.

I enjoyed seeing you, the other former Directors and many of the other associates past and present.

The President was splendid and it was a real privilege to see & hear him.

All good wishes to you and your assistants in the cause of freedom!

Sincerely

W. F. Raborn
